Work Experience

Aviator Pro (2026 - Current)

Motion Designer

Scottsdale, AZ

- Conceptualized, designed, and animated 2D motion graphics and 3D animations for FAA-approved aviation courses.
- Translated complex aviation concepts into visual explanations designed to communicate technical information and support learner comprehension.
- Worked closely with pilot instructors to maintain technical accuracy and ensure course animations supported instructional goals.

Sneaky Big Studios (2021-2023)

Associate Motion Designer

Scottsdale, AZ

- Developed 3D renders and animations based on client requests.
- Created assets and graphics for virtual production environments.
- Collaborated with in-house editors to develop visuals aligned with creative direction and post-production needs

Parsons Xtreme Golf (2023-2025)

Motion Designer

Scottsdale, AZ

- Designed 3D product animations, 2D motion graphics, and supporting assets for product launches, social media campaigns, and television commercials.
- Created and managed a 3D asset library in Iconik and Excel, establishing organization and tagging standards to support cross-department workflows.
- Designed motion graphics for and operated a large-scale in-house LED wall during production shoots.

Freelance: Zen Media - Harlem Globetrotters

Motion Designer (Annual contract work)

Scottsdale, AZ

- Designed player intros, team introduction videos, and in-arena graphics for live games.
- Created promotional videos for merchandise and event marketing.
- Retouched studio photography for use in promotional content.
